

Attention Vermont Employers: Required Safety Records Poster Available Here

Attention Vermont Employers:

This is a reminder that as of July 1, 2014, Vermont employers are required under Vermont State law (21 VSA, 691 a), to post a notice advising their employees where they may access and review your company's safety records.

To assist you with compliance efforts, the Vermont Department of Labor has developed a form that will assist you. This poster is downloadable at [Posting of Safety Records \[PDF\]](#).
